

# SITE DIRECTIONS FOR CHARTERED BUSES

**Chartered buses with a hired driver are a great idea and we encourage their use.**

This information applies to hired chartered buses for 10 or more passengers (where the bus and driver do not stay on-site for any longer than the period it takes to drop off and pick up passengers). If your bus or driver are staying on site these directions do not apply to you.

## Drop-off Saturday 7 March 2009

- Chartered buses can overtake a queue on Mount Mercer Road when legal and safe to do so (without a vehicle pass).
- Chartered bus drivers need to follow the directions of the traffic controllers and use the far left hand driveway lane on entry and stop at Reception. A member from the Reception team will board the bus and scan all wristbands.
- The bus can then continue to the BUS STOP in the car park. Refer to the map. NOTE: chartered buses are not permitted to enter the campgrounds at any time.
- All valid ticket holders need to get off the bus at the BUS STOP and walk their gear to their campsite.
- Bus drivers must follow directions of the Reception and Traffic Control team to exit.

## Pick up Monday 9 March 2009

- Chartered Bus drivers need to follow directions from the traffic controllers and use the far left hand driveway lane (same as drop off) and continue to the BUS STOP in the car park. NOTE: chartered buses are not permitted to enter the campgrounds at any time.
- DO NOT MAKE THE BUS DRIVER WAIT FOR YOU for their sake and ours. It is important all your passengers wait for the Chartered Bus at the BUS STOP at the time of your booking.
- Bus drivers must follow directions of the Reception and Traffic Control team to exit.
